Two-Year Lease Extension for Lockhart Stadium

District and Fort Lauderdale officials have reached agreement on a lease extension for Lockhart Stadium that will allow the continued use of the facility for District events and activities through June 2011. The agreement is scheduled to go to the School Board for approval July 21. Under the agreement, the District pays no rental or use fees to the City of Fort Lauderdale. The District's only obligation is to maintain the facility and allow use of the stadium for events by other groups. Several regional universities have agreements with the District to use Lockhart Stadium for various events, including athletic and sports events. Last year, two Florida Atlantic University football games were nationally televised by ESPN, providing Fort Lauderdale with numerous promotional opportunities.
